**Fast MCR View Crack+**

Fast MCR View is a fast, yet powerful and easy-to-use application that can easily be used when editing MCR files. The 2.0 release of Fast MCR View is dedicated to the long awaited Print Version of MCR. While having this version of Fast MCR View, you will be able to read the MCR Print Version, which is an ISO 2709 or MCR file printed in the IEEE form: The ISO 2709 Print Version is provided as a result of the effort started by Jeff Zidell, a member of the ISO 2709 working group. Fast MCR View is the tool that made it possible for him to read the MCR Print Version. Please note that all of the features provided by Fast MCR View 2.0 are for reading MCR Print Version and are based on the MCR Print Version standard. As a result, many of the features available in this version are not available for other MCR files. We encourage you to contact us if you are interested in getting a license for the various features available in this release. 0.5.3 - 16 August 2012 Fixed: In previous versions of the application, the button to cancel editing was not working properly.
